

One of our greatest challenges as a nation and culture is preserving the integrity and unity of the home. Many couples have good intentions but lack the skills and determination necessary to keep a family intact. Using God-centeredness as the foundation, the seminar presentations provide information for maintaining good marriages and explain in a very down-to-earth manner the origin of many relationship problems and the solutions to counter them.

Marriage Matters is a multi-session seminar that focuses on incorporating God into real-life issues of marriage and family. Each session explores some of the complex issues and emotions surrounding marriage and is filled with sound psychological advice and biblical direction. Both professional educators and dynamic communicators, Jerry and Lynn Jones have conducted approximately 300 seminars in 41 states. They are guaranteed to make you laugh, cry and truthfully evaluate yourself and your family relationships.

Seminar Location

The [Frederick Church of Christ](#) is on N. Market St. (MD355) 13 blocks north of historic downtown Frederick. Take US15, exit at Motter Ave. Turn east, then turn left at Frederick Ave. Turn right on N. Market.
